In UK Macfarlanes LLP, McDermott Will & Emery, advised on the matter.

Macfarlanes LLP advised Weight Partners Capital with a team including Robert Collard (Executive Compensation), Mark Petch (Executive Compensation), Damien Crossley (Picture – Tax Corporate).

McDermott Will & Emery advised Weight Partners Capital on the financing side with a team including Aymen Mahmoud (Finance).

Weight Partners Capital's investment will support Grosvenor in its plans for further geographical growth across the UK and will also give the organisation the opportunity to broaden out its service offering.

Grosvenor Health and Social Care are a leading provider of homecare in Great Britain. It was formed in 1998 by former CEO Ravi Bains and is the second largest independent provider of domiciliary care in the UK, funded mainly by local authorities.

The Macfarlanes team was led by partner Damien Crossley (Picture) with assistance from senior solicitor Shaul Steinberg and senior VAT manager Charishma Bhujohory. Advice on share incentive structuring came from reward partner Robert Collard with assistance from senior solicitor Mark Petch.

McDermott's team was led by partner Aymen Mahmoud, supported by associates Bhavesh Madia and Ryan Clarke.

**Involved fees earner:** Robert Collard – Macfarlanes LLP; Damien Crossley – Macfarlanes LLP; Mark Petch – Macfarlanes LLP; Shaul Steinberg – Macfarlanes LLP; Ryan Clarke – McDermott Will & Emery; Bhavesh Madia – McDermott Will & Emery; Aymen Mahmoud – McDermott Will & Emery;
